DEDICATION

Today when movements are being made for a lasting peace and all thoughts are being directed toward that goal, we feel that it is both fitting and timely that we should dedicate the 1947 edition of HORIZONS to the former students of Holmes Junior College who, in the service of our country, have passed on into the realm of the unforgotten and who have paid with their lives the price of this peace.

MR. RAS M. BRANCH, PRESIDENT
B. A., Mississippi College; M. A., University of Alabama;
University of Minnesota.

Long interested in and associated with student life on Holmes Junior College campus, Mr. Branch has endeared himself to faculty and student body alike by his quiet optimism and faith in the goodness of things. His administration has been progressive and far-sighted. Students find him tolerant and sensible in the solution of their problems. Under his capable and wise leadership, Holmes Junior College has become one of the state's outstanding junior colleges, and the passing of each year sees additional development and improvement as a result of his untiring efforts.

## *Treasured Memories*

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in the production of this book. It indicates the wealth of ideas and ability which have made possible the long record of our school annual achievement.
